**Stafford, Texas** – The City of Stafford Municipal Court will be joining other courts across the State of Texas by virtually conducting business. The court began holding virtual court on Monday, August 10, 2020.

The Virtual Court schedule has been set and will be held according to the court's normal docket schedule.

New court procedures for virtual court will allow cases to be handled remotely with Judge Debra Sinclair presiding, and post-hearing arrangements will be directed to the court clerks virtually as well.

The objective is to provide virtual access while maintaining standard court guidelines and moving business along so that cases can be resolved in a manner benefiting all involved. The safety of our citizens and the city's employees is always a top priority for our Mayor Pro Tem and the members of City Council.

Implementing the virtual court process will allow the court department to accomplish these goals.

If you have a ticket and wish to schedule a virtual court appearance, contact the court at 281-261-3930 and a court clerk will assist you. Information is also available on the City of Stafford website, [www.staffordtx.gov](http://www.staffordtx.gov), under Municipal Court.
